Dear Cabrini School Parent,

It is hard to believe that we are almost through the first month of 2017 and that preparations are under way for the 2017-2018 school year! These preparations include analysis of our financial plan and budget for the coming year by the parish / school staff and various councils and making appropriate changes where necessary. It is clearly understood that the families who make the commitment for their children to receive a Cabrini education are making sacrifices to do so. We also understand that for many, fulfilling the financial commitment that is required can only be met with some form of financial aid or assistance. Some of the assistance provided in the past, had been in the form of special tuition arrangements. We have previously communicated the ongoing budget constraints being experienced at Cabrini and it is because of these financial limitations that the parish can no longer absorb the impact of the special tuition arrangements. As a result, this letter is being sent to all school families, to inform you that going forward, a new policy has been established by our Tuition Review Committee covering all school tuition matters.

This new policy establishes the following:

- Any and all considerations previously agreed upon for tuition relief or assistance will expire, per the written contract, at the end of this present (2016-17) school year.
- Tuition assistance will be offered, as available, in the form of grants provided by St. Frances Cabrini Parish, the Archdiocese of Detroit or other sponsoring organizations. Any new request for assistance or relief will be overseen, exclusively, by the Cabrini Scholarship Committee. **The Pastor and Bookkeeper/Tuition Office will no longer accept appointments for discussion of tuition assistance.**
- All those who purchased the \$1,000 *tuition freeze promise* from the School Auction last year, will have that money credited to their account for the 2017-18 school year. Unfortunately, we are not able to honor the promise of the tuition freeze. If a family decides to leave the school for this coming year, a full refund of the \$1,000 will be granted.

If you would like to request financial assistance, please do the following:

- a. For new school families: complete the on-line FACTS registration, found at cabriniparish.org. For returning school families, you are already re-enrolled. If changes are needed, contact the Tuition Office, otherwise no further action needed. The use of the FACTS tuition system is required of all Cabrini School families, as stated in the registration information.
- b. Complete the attached Cabrini Scholarship Aid Form. All assistance coming from the parish, will come from either the Fr. Clare Murphy or Cabrini Scholarship Funds.
- c. Apply for the Archdiocese of Detroit Tuition School Grant. There will now be a 3 tier system for this Grant: \$1100, \$950, and \$800. It will be solely based on need and is not dependent on whether a student is in high school or elementary.

*Both (a) and (b) need to be accomplished by March 6, 2017. The Scholarship Aid Form is in the parish office. The AOD School Grant (c) is available at aod.org or cabriniparish.org.

Clarification for tuition assistance that is being offered for Cabrini parents through the parish:

- a. Given the limited funds at our disposal, assistance will be based solely on need. Every effort will be made to help as many families as possible, but there is no guarantee that all applicants will receive assistance or be granted the full amount they are requesting.
- b. The amount being awarded for each family from the parish (Fr. Clare Murphy or Cabrini Scholarship Funds) will be announced by April 17, 2017.
- c. The AOD Tuition Grant is awarded according to the schedule of the Archdiocese of Detroit, and not overseen by the parish. This is usually announced by June 30, 2017.

Other considerations available for tuition assistance:

- a. If you are a registered member at a parish other than St. Frances Cabrini, please follow these steps:
 1. Have your pastor send a letter stating you are an active member. *This will provide you the more affordable, Catholic rate tuition.*
 2. Consider asking your pastor if your parish has any tuition assistance funds.
- b. If you are an employee of the Archdiocese of Detroit or St. Frances Cabrini, this qualifies you for a tuition discount. Please contact the Cabrini Tuition Office for more details if you qualify. (313-381-5601)

I appreciate the great sacrifice all of you make to send your child(ren) to a Catholic school. Please be assured that we are doing everything possible to honor that sacrifice and deserve your trust.

St. Frances Cabrini, pray for us.

In Christ,

Fr. Tim Birney
