

Msgr. Hubert Maino Chapter of National Junior Honor Society

In the 2014-15 school year, we began a Chapter in the National Junior Honor Society. It was named after one of our former pastors here at Cabrini, Msgr. Hubert Maino. The NJHS is the nation's largest service organization for middle school students.

Candidacy begins by meeting our Scholarship criterion of 3.5. Each candidate must complete a candidate form, but additional information is also requested by the staff to assist in this important selection process. There are four areas that are required to be met by the candidates: Leadership, Service, Citizenship and Character. The faculty counsel represents the entire staff. They are key in the selection process of the students who are inducted.

We are excited to begin this new Chapter here at Cabrini and look forward to inducting many more students who continue to display these wonderful qualities.

For additional information please contact Lauren Beattie, NJHS Advisor.
