

Just a reminder that should your child contract a communicable disease such as, but not limited to:

- Strep throat
- Fifth disease
- Hand, foot, mouth
- Ring worm
- Pink eye
- Scabies
- Scarlet Fever
- Chicken Pox
- Lice
- Impetigo

The Health Department requires that you inform the school office. This is for the health and protection of your children and their classmates, as well as our staff. Your attention to this is greatly appreciated.

Please remember to **call or email** daily when your child is not feeling well and will not be at school. You may leave a message on the office phone anytime (**313-928-6610**) or send an email:
