

Frequently Asked Questions about Tuition and Fees

The Cabrini tuition and fee schedules are posted on the school websites. The base tuition and fees make up the total cost of sending a child to Cabrini. Careful consideration is given to all fees in light of the fact that sending a child to a Catholic school is a financial sacrifice. Our fees include a registration fee, in addition to the following fees:

Technology & Art – computers and art supplies (Cabrini is one of the few elementary schools with a kiln)

Book use – book rental and purchase of new books

Fundraising – contributions for resources for the school program

Utility – helps to cover the cost of heating, lights, and electricity

Maintenance - helps to cover the cost of maintaining equipment in the building, emergency building repair and capital improvements

Cabrini thanks all of our parents for their commitment to Catholic education.
