

What is Scrip? And How Scrip Generates Revenue for You

Scrip is another way to pay for everyday purchases using gift cards in place of cash, checks, and credit cards. Great Lakes Scrip Center offers over 300 of the country's biggest brands, including grocery, department stores, gas stations, restaurants, hotels, home improvement, and more. The Great Lakes Scrip Center acts on behalf of churches, schools and other non-profit organizations to purchase large amounts of gift cards. Your family purchases gift cards from our organization at face value, and our coordinators order those cards from Great Lakes Scrip Center at a reduced price. The discount can range from 2% - 15%, or more. The difference is applied to your tuition account, or the Fr. Clare Murphy Scholarship Fund, every other month (less a small administrative fee). It's really that simple!
