Dear Cabrini Students, Parents and Guardians,

Welcome to the 2018-2019 school year. We hope you had a restful and relaxing summer and are ready for a new and exciting academic year. We are enthusiastic for the changes this school year brings and cannot wait for you to see what we have in store.. This will be my first full year as principal and Mr. Olejniczak's first full year as dean of students, and we are thrilled at the opportunity to work together with you to help our students reach their potential spiritually, academically, and socially. We are proud to continue St. Frances Cabrini's tradition of academic excellence while embracing the Cabrini motto; "I can do all thing through Christ who strengthens me" Phil 4:13

Our teachers are busy preparing their classrooms and creating lesson plans that promise to make an exceptional educational experience for our students. Our facilities crew has been working diligently not only cleaning and waxing classrooms, but renovating the front offices, teachers' lounge, staff restroom, and building with four new office spaces for our IT department and dean of students. We also purchased new math curriculum for the middle school and will now offer Spanish for students in grades K-8. Ms. Schro has been busy giving the science lab a much needed facelift and has purchased equipment that will further engage students in learning.

Each year brings positive change. We extend a warm welcome to all new families who will join our community. Also, we are proud to welcome several new teachers to the Cabrini Staff:

Ms. Segerson has joined us from St. Sebastian and will teach fourth grade

Mrs. O'Connell has joined us from St. Mary's of Rockwood and will teach fifth grade

Ms. Victory has joined us from St. Paul on the Lake and will be teaching middle school social studies

The following teachers have taken no new roles within the school:

Ms. Dubois has taken on a new role as our middle school religion teacher

Mrs. Howling has taken on the role of kindergarten teacher

Mrs. DeBerardino has taken on the role of third grade teacher

All the important dates will be available on the Cabrini Elementary and Middle School website (<https://cabriniparish.org/elementary-and-middle-school/>) and located on plus portal.

We will be hosting a new family and kindergarten orientation on Thursday, August 16, 2018 at 6:00pm in the elementary gym.

Please see the attachments for the required forms. All of these documents must be submitted by Tuesday, September 4, 2018.

I am honored to serve as the principal and thank you for entrusting your student(s) to our care. The Cabrini staff looks forward to making it a great year.

May God bless you and your family the remainder of this summer...relax and enjoy! We look forward to seeing your child(ren) on the first day of school; August 27, 2018 (half day with dismissal at noon). Kindergarten students will visit their classroom on August 27th from 8:30-9:30am.

Sincerely,

Lisa Pacholski
