- 1) Cabrini Parishioner Tuition Rates:** Awarded to qualifying parishioners of St. Frances Cabrini. To receive this discount, the parish will confirm your family regularly attends Holy Mass, participates in parish events, and utilizes the offertory envelopes. The parish contributes more than \$600 to educate each student at Cabrini High School, so it is important parishioners are financially supporting the parish in addition to their annual tuition costs. Families are encouraged to use the offertory envelopes to document their regular attendance at the Eucharist, the source and summit of our faith, and the only reason our school exists.
- 2) Catholic Tuition Rates:** Awarded to qualifying parishioners of a Roman Catholic Church. To receive this discount, families must annually provide a letter from their parish stating the family is registered and are active parishioners.
- 3) Two-School Discount:** A 3% discount awarded to families with at least one child enrolled in grades K-8 and one child in grades 9-12; this discount is applied after all other discounts, grants, and scholarships are applied to the tuition balance.
