

**ST. FRANCES CABRINI SCHOOLS
NEW STUDENT REFERRAL FORM**

We believe that we have much to be proud of here at Cabrini. Our students continually rank among the best and the brightest at every educational level. We are also aware that our best advertisement is our students and families. That is why each year the Parish will grant a \$500.00 (five hundred) tuition reduction to any current school family that refers a new family here to Cabrini. The new family has to register and be accepted into our schools.

The tuition reduction will be made to the referring family in two (2) credit amounts of \$250.00 (two hundred and fifty) in December and April. This helps to ensure that the new family remains enrolled throughout both semesters of the school year.

Please have any new families that you refer fill out the following information for the tuition office. This will help to make sure that you receive the proper credit. If you have any questions please contact the tuition office, at (313) 381-5601.
