A NOTE ON REVISION.....

The “Student Handbook” is revised annually, yet changing circumstances and legal mandates may require more frequent updates. Such additions, deletions, and clarifications may occur at any time. In that event, students and parents will be notified by in-school announcements and the CHS portal system. Once that communication has been made, students will be held accountable for adherence to the newly published standards, rules, policies, or procedures.

August 2024

Dear Parents and Students:

Welcome to the St. Frances Cabrini High School & Academy!

St. Frances Cabrini High School & Academy strives to deliver a comprehensive college preparatory academic focus on experiential learning and critical thinking. We are committed to educating students today, with the knowledge and faith that will influence the world of tomorrow. To do so we continue to build our technology integration and use of our 1:1 device program while instilling digital citizenship. A St. Frances Cabrini education emphasizes the ability of our students to work together as a community, to grow in friendship, and above all to recognize that final goal to which we are all called: perfect and lasting happiness with God.

Academic learning and faith formation are community efforts – we all help one another grow in our relationship with the Lord. Families are active participants in their child’s education and school. Mass and Faith are regular part of our day for all students, and Christian outreach projects are a part of who we are. As the student body grows, so do the extracurricular activities available. Every student has a voice and has leadership potential at St. Frances Cabrini High School & Academy. It is critically important for every great community to be successful, and there must be policies and rules to promote safety and security of all members. We are providing you with this handbook at the beginning of the school year because we believe its contents are very important in setting the tone for the total education of our students.

St. Frances Cabrini Catholic has standards and rules for religious formation, academic achievement, extracurricular participation and a focus on **kindness, love and respect towards one another, in words and in our interactions**. From enrollment to matriculation all students are expected to honor these rules. To that end, school and parent partnership is essential. Cabrini’s expectation is a partnership with parents to support students in honoring the rules in this handbook. The Administration reserves the right to make and enforce any and all rules it believes necessary for the good of the school community. The Administration of St. Frances Cabrini Catholic High School & Academy reserves the right to make any decision or change deemed necessary which serves in the best interest of our school community.

Enrollment in St. Frances Cabrini Catholic School acknowledges a contractual partnership recognized by law between parents and the school. Parents and students assume responsibility for all obligations – religious, academic and financial, resulting from this contract. Students and parents are expected to be familiar with this handbook and any announced revisions. Parents and students should understand that: tuition accounts must be up-to-date, volunteer obligations must be fulfilled, detentions must be served when given, school days take priority over vacation time, and cooperation with the religious and academic mission of the school is essential.

In order that we may be assured you understand the policies and rules contained in this handbook, we require that all students and one parent/guardian sign the acknowledgement of student handbook form. By doing so, you and your student(s) agree to willingly comply with the policies outlined in this handbook and as a result, all families can expect to enjoy the privilege and protections outlined in this handbook.

I hope that you will share in my excitement in achieving an outstanding, spirit filled and rigorous learning environment as we begin the new 2024-25 academic year.

Sincerely,

Mr. Daniel Gilbertson

High School & Academy Principal

ACADEMIC INFORMATION

SEEKING SOLUTIONS

From time to time, issues and questions may arise that are not easily resolved by the people directly involved. The following protocol and suggestions are put forward as a guide for those students and parents seeking resolution of an issue (perhaps one that stems from an issue not covered by this handbook), that requires input from a higher level of school authority.

- For issues related to a student's academic performance in a class, always speak first to the **teacher**. Further discussion, after that initial contact, can be arranged with the academic department chair, Assistant Principal, and then the Principal, in that order.
- Sports-related issues are handled first with the team **coach**, then, if necessary, with the Athletic Director, Assistant Principal, the Principal, in that order.
Issues related to student behavior or violations of the student code of conduct are discussed first by parent(s) and referring staff member. After this level, appeals of decisions can be made to the Assistant Principal then the Principal.
- Questions and issues related to extra-curricular (non-sport) activities are to be referred to the club/activity **moderator** before contacting the Principal.
- All financial issues, (tuition and fees, payment options, etc.) are to be discussed first with the parish **bookkeeper**, then with the tuition review committee, if necessary.

For the quickest and most efficient resolution of issues, please contact the appropriate staff member and pursue the following suggestions:

1. Call ahead to find a convenient time to communicate with the requested staff member. Tell the school secretary whether you prefer a phone call, e-mail response or a personal meeting. Leave the best contact times and number(s).
2. When the conference occurs, please sum up the history of the issue(s) at hand, giving your views and suggestions for resolution. Please listen to and consider the information provided by the teacher, coach, or other school official.
3. Please exercise the utmost courtesy during discussions with all others in our school community, as an example to our children and others of our Catholic faith and lifestyle. Strong emotions may accompany complicated issues – yet if uncontrolled, it may hinder rather than help in the resolution of issues.
4. If a decision cannot be made or implemented immediately, ask when a decision may be expected and anticipate/arrange further contact.

Please know that it is the desire of the Cabrini High School staff and administration to resolve any questions, issues, or disputes you may have in a quick and satisfactory manner. Our staff has been instructed to work toward that end, but only with the parties having a direct interest in the matter at hand (normally the student and his/her parent(s)). Introduction of outside parties (such as legal counsel) suspends the process outlined above in favor of one suggested by the new circumstances, and as directed by the administration. Please note that while some issues involve multiple students, it is never appropriate to ask, or expect a staff member to disclose personal information about any student other than one's own child. This would include, but is not limited to grades, disciplinary record, health information, or family data on any other student. Accordingly, your student's information will be held in confidence from others.

- If a student fails both quarters or fails a quarter and the exam, they automatically fail the semester.
- Any student enrolling in an honors course or an AP course must do so with the approval of the department chair.

WEIGHTED GRADES - “Weighted grading” for Honors & AP courses is a system that gives students an opportunity to earn extra honor points. DUAL ENROLLMENT

The State of Michigan has enacted legislation that permits students in private schools to benefit from Dual Enrollment. This program allows students in grades 9-12 to take courses at Michigan public or private colleges or universities. If the student qualifies, tuition, fees, and books can be paid for by the State of Michigan. This is a great opportunity for many students, who may be qualified to start amassing college credits even before they finish high school.

There are a number of specific conditions, set by both the State and Cabrini High School & Academy, which must be understood and met by students participating in Dual Enrollment:

- * A student must have qualifying assessment scores (ACT OR SAT) as determined by the State of Michigan.
- * The student must demonstrate college readiness and personal responsibility, as evidenced in his/her CHS academic record in order to be considered for this opportunity.
- * College courses paid for by the State cannot be in physical education, theology, hobbies/crafts, or recreational courses.
- * Dual Enrollment classes may not interfere with a student's normal schedule at CHS.
- * If a Dual Enrollment course is not completed, the student must repay all expenses to the Treasury Department of the State of Michigan.
- * International students with an active visa cannot participate in this program.
- * Participation in this program does not exempt a student from earning all credits for graduation as specified in the Student Handbook.

A student's first step in pursuing Dual Enrollment is consultation with the CHS Counselor. Eligibility of the student and the proposed course(s) must be determined at CHS before enrollment in a local college. Students who wish to take advantage of this opportunity must be college ready academically as well as emotionally. The student is expected to take responsibility for enrolling, registering, and completing all work required by the course instructor and the dual enrollment institution.

CURRICULUM REQUIREMENTS

Each student is required to carry a minimum of six credit classes per semester, twelve during the entire scholastic year. Each class fulfills the requirements of the state which reads: "One unit equals a minimum of 120 clock hours of classroom or laboratory work in a given subject, exclusive of the time for passing to classes; this is equivalent to the amount of time spent in a class that meets forty minutes per day, five days a week, for thirty-six weeks." (Accreditation Standards)

A student may choose seven or eight credit classes in any semester; no student, however, may register for more than eight at any time unless special permission is given by the counselor or administration to take a dual enrollment course at a college or university. It is recommended that freshmen and sophomores take eight academic classes. Seniors can make use of a study hall and an office assistant but not in the same semester.

CHRISTIAN OUTREACH GUIDELINES

Our Call to Service

As a Community of Faith, we dedicate ourselves to our Christian call of encountering Christ through a life of compassion, love, and service to others. It is in the Spirit of the Gospel values that we challenge ourselves to become the sons and daughters that God has called us to become. We recall the words of Jesus: *“The Spirit of the Lord is upon me for he has anointed me. He has sent me to bring good news to the poor; to proclaim liberty to captives and sight to the blind, to set the downtrodden free...”* ~ Luke 4:18 (Should we move this to the top near the mission?) DG supports this suggestion.

Graduation Requirements -To place importance on our call as a faith community, Cabrini High School students will participate in 2 full days of scheduled Christian Service, one day per semester. This is an all school service day involving the entire student body and staff. The day begins with a prayer service and then departure to a variety of locations and organizations for service. We are called to serve daily, and highly encourage additional service throughout the year.

Reflection Paper - As part of the learning experience of Christian Service, students are required to complete a Reflection Paper after each semester’s Service Day. All papers are to be submitted to the Theology teacher by the due date assigned by them. Once handed in, this will complete the student’s full participation in that semester’s service requirement.

Documentation -Your attendance at the scheduled Service Day, combined with your Reflection Paper, will serve as the documentation needed for your requirement to be met.

- **Any student that is absent for the two scheduled Service Days will be responsible for completing the requirement, equivalent to 12 hours of service. They will be given a list of specific service organizations designated solely by the Campus Ministry Department. These service days must be completed on a weekend or school break and includes documentation through the Reflection Paper.**
- **All service requirements will be completed yearly for a student to advance to the next grade level.**

ADMISSIONS POLICY

Cabrini High School admits students of any race, nationality or ethnic origin, to all rights, privileges, programs, and activities generally accorded students of this school. It does not discriminate on the basis of race, national or ethnic origin of its hiring, personnel, and educational policies, admissions, athletics and other school administered programs, as required by the terms of Title IX of the Educational Act of 1972, Public Law 92 318 (as amended by Public Law 93 568).

Cabrini High School being a parish sponsored high school, admits students in the following order:

1. Students who, with passing grades, successfully completed all the core subjects in the eighth grade at St. Frances Cabrini Academy .
2. Students with siblings currently enrolled at Cabrini High School.
3. Parishioners from St. Frances Cabrini with no siblings.
4. All other students.

Freshmen:

- Freshmen are accepted based upon their standardized test scores, teacher recommendations, their middle school transcripts, disciplinary records and an interview by the admissions committee, if requested.
- Upon acceptance to Cabrini High School, a registration date will be set. Students and parents/guardians will be asked to attend. At that time classes will be chosen. The guidance department and subject department heads will be available to help with schedules for the fall. If applicable, a copy of the custodial rights should be turned over to guidance. These are kept confidential in the guidance office. All students must complete and turn in the Acknowledgement of Student Handbook/Academic Integrity and the Medical Confidential Treatment Release forms. In addition, **All students attending CHS must have on file a signed “Understanding Concussion” form which will be distributed at registration. (Public Acts 3542 and 343 of 2012.)**

- Transfer students shall meet the graduation requirements set down by Cabrini High School with integration of previously completed coursework.
- Students entering Cabrini High School from a home school will be asked to furnish an outline of the state's middle school curriculum followed and grades received.

Second Semester Freshmen through First Semester Juniors:

Students seeking admission between the second semester of his/her freshman year and first semester of their junior year are considered for admission if openings are available. Students must provide the school with a transcript from their previous school(s). Parents and student(s) must interview with the admissions committee in order to be considered for admission. Transfer students at this level are eligible to qualify for the honors of Valedictorian and Salutatorian of their graduating classes at Cabrini High School.

Second Semester Juniors and Seniors:

Since transferring in a second semester in Junior or Senior year has a variety of ramifications, special attention must be paid to this situation.

Transfer students, in their second semester of their Junior year or beginning of their Senior year are ineligible for the honor of Valedictorian or Salutatorian. For such consideration, a student must have enrolled at the start of their Junior year as well as have the highest or second highest grade point average in the class. Students transferring during their Senior year are ineligible to be part of the Top Ten, Prep Bowl academic honors or the local Kiwanis Banquet.

Seniors (ten or more) who come from AOD schools that close shall have their own honors given of Valedictorian and Salutatorian if the closing school agrees that Cabrini High School shall be the only school which is to grant such honors on behalf of the closed school. The student receiving such honors must also have achieved at least a 3.5 cumulative grade point average. The ranking that appears on their final transcript from their previous school, plus their academic achievement at Cabrini High School during their first semester of their Senior year, shall determine class rank for the purpose of determining honors from the closed school. These students are eligible to be part of the Prep Bowl academic honors.

STUDENT RECORD POLICY

- Cabrini High School reserves the right to request records of students enrolling from other schools.
- Complete records of students in attendance at Cabrini are kept in fireproof files. These include the permanent record of the student's grades, health forms, and other such reports as will aid with the student's spiritual, social, physical, and educational development. Parents and/or students may request to review their records by appointment.
- Alumni files consist only of the permanent record forms. Upon request, transcript release forms are available to alumni allowing the release of their personal transcript to various agencies of employment and/or education. No records are ever released from the school without a written or verbal authorization. A fee of five dollars will be charged.
- All students entering Cabrini High School (Freshmen and transfer students) serve one semester on academic and disciplinary probation, which expires at the end of their first semester of attendance provided that:
 1. Their GPA is at a 1.5 or better.
 2. No serious or chronic infractions of school rules have occurred.

ACADEMIC PROBATION AND GRADE PLACEMENT

- Any student who receives below a 2.0 GPA on a quarter report card or progress report is placed on Academic Probation. The status of Academic Probation impacts a student in a variety of ways.

Parent(s) will be notified with an email from the school, along with updates for goals that the student should obtain for his/her grades to improve.

Student may not be eligible to participate in extracurricular activities. Please see regulations under Academic Eligibility through the Athletic Department.

Should the student's GPA fall below 1.5 for two consecutive semesters, the student may be required to withdraw, pending a meeting with the administration. If a student's GPA shows significant and consistent improvement during the probation period, but has not yet reached 1.5 at the end of that time, the student's case is reviewed and the probationary period may be extended.

Requirements for promotion to:

Sophomore level is 6.5 required credits

Junior level is 13 required credits

Senior level is 19 required credits

A letter is sent to parents of students who have not attained the next level status. Successful completion of an approved credit recovery program may be credited to a student who is in jeopardy of not attaining promotion status.

A student not attaining senior status at the end of the third year at Cabrini High is considered a junior and will not be a member of the senior class nor will he/she enjoy the privileges of senior status until the correct number of credits is achieved in August or in January. If a fourth year student begins the fourth year with a junior status, credits are not evaluated until January of that fourth academic year.

REPORT CARDS

Cabrini High School schedules courses on a two-semester system. Grades received at the conclusion of each semester are final and become a part of the student's permanent scholastic record. Report cards are distributed online at the conclusion of every quarter of the school year. Throughout the school year, report cards, as well as progress reports, are available on-line. Parent/Teacher conferences are held during the first quarter, mid-quarter. Middle of third-quarter?

PROGRESS REPORTS

Progress reports are sent via e-mail at the mid - point of each quarter. The school's Gradebook system is also available to all parents/guardians to check their student's continual progress. Teachers will update the online reports at least once a week.

INCOMPLETES

This grade is only temporary in that "I" is used if a student has not completed academic requirements due to medically documented illness with approval by the Principal. The "I" must be changed to a letter grade (A-F) within ten school days of the start of the following marking period. Exceptions must be approved by the administration. After ten school days, the teacher will submit a letter grade based upon work submitted for credit. An "incomplete" grade may only be applied to a final quarter grade or semester exam, not a progress report.

EXAMINATIONS

- Teachers will administer comprehensive exams at the end of each semester. Seniors earning an "A" in both grading periods (quarters) of the semester **may** be exempt from the final exams at the discretion of the teacher.
- The final exams cover the entire semester's work. A student, absent from the regularly scheduled exam, must make arrangements with the teacher or administration to take the exam within two days of returning to school. **If a student has to move the date of their exam due to a planned vacation or absence, a \$10.00 fee per exam will be charged.**
- Students who **have not served their acquired detentions** will not be able to take their exams at the designated times until the detentions have been served with administration. Or their designee
- The following regulations apply during all exam times:
 1. Students report to the proper class, on time, for each exam.
 3. Students remain in the classroom for the entire testing time.
 4. Only students with valid absences may reschedule a missed exam.
 5. Students with a scheduled study hall must report and remain in the designated room for the entire exam time unless a senior has a signed class exemption.

CLASS RANK

Class rank is based upon semester grades earned in all classes. For transfer students, see the section under Second Semester Juniors and Seniors within the admissions policy.

- Senior Top 10- Top 10 or honors students must not have failed a semester course. In addition, these selected students must not be failing a 3rd quarter class their final semester.

A student must receive a semester grade point of 3.0 or better.

A student must not receive any grade less than a "C in any class including any honors or AP classes.

Honor Roll will be determined only through the semester GPA.

COURSE FAILURES - Students who receive an “F” (no credit) for a semester grade in a course required for graduation or loss of credit due to excessive absence, may make up that credit, from an accredited institution, in one of the following ways (requiring prior approval of the administration):

- Repeat courses at Cabrini High School (except English, World Language, Math, Science, or Social Studies which must be repeated in credit recovery. Theology must be completed at CHS summer school.)
- Correspondence Courses from Educere, American School or online courses from Brigham Young University (BYU)
- If a senior student fails in the first semester, or 3rd quarter, they are not permitted to be in the “Top Ten.”
- Senior students with a credit deficiency of more than 0.5 credits (one semester class) will not be permitted to walk at graduation.

A grade must be presented for each course. In the case of a repeated course, both grades and credit count are used to compute the student’s GPA. A repeated course is not removed from the record. All grades are shown on the transcript.

All first semester failures must be completed through credit recovery by the end of the current school year or by the date given by the Counseling Department and/or Administration. All second semester failures must be completed through credit recovery by the beginning of the next school year or by the specific date given by the Counseling Department and/or Administration.

Seniors who fail a first semester class must complete credit recovery and have the grade to the Counseling Department 30 days before graduation.

Seniors who are unable to graduate with their class due to a credit deficiency will have one year to make up the missing credits through American School, Educere, or Brigham Young University (BYU). After Labor Day of the following year, the Counseling Department will officially close the files of incomplete seniors and they will no longer be eligible for a Cabrini High School Diploma.

SCHEDULE CHANGE PROCEDURE

- Since course selections should be made only after careful consultation with parents, teachers and counselors, we do not anticipate schedule changes when students return in the fall. Upon receipt of the schedule requests each spring, classes are planned and teachers are hired to accommodate these requests.
- Schedule changes have a serious effect on class size, teacher assignments and the overall master schedule. All students are strongly encouraged to remain with the schedule they plan for themselves during the spring scheduling period. For this reason, students will not be permitted to add or drop a course unless there is a valid need for a change. **SCHEDULE CHANGES INITIATED BY THE COUNSELING OFFICE WILL BE THE EXCEPTION.** Changes will not be made to satisfy a student’s convenience. Unless a schedule change is recommended by a counselor or teacher, a fee of \$40.00 will be charged, per change. **A change will not be made because of preferential teacher choices.**

ONLINE LEARNING-If circumstances arise where students are not in school for an extended period of time, online distance learning will commence. Students are responsible for following the schedule established by the school. Teachers will post assignments and credit will be awarded for completed work.

OFFICE ASSISTANTS - A student may have the opportunity to be an assistant twice during their Senior year. Only a quarter credit can be earned in this manner.

ADD/DROP A COURSE - Students enrolled in a full year elective course cannot drop the course(s) unless they have obtained a failing grade for the semester. Final date to withdraw officially from classes is the second week of any semester.

The procedure for dropping or adding a course: for the first semester – (two weeks into the first quarter) and for the second semester (during the last two weeks before Christmas break):

Consult with a counselor.

Discuss the reasons for requesting to drop or add courses with the teacher(s) involved.

Complete the necessary paperwork.

1. Obtain the signature of parents/guardians, **teacher(s)** and counselor. Sign the form and return it to the guidance office.

*Students will attend their current classes until permission for a new schedule is granted.

WITHDRAWAL FROM CABRINI - Any student wishing to leave Cabrini must follow the steps outlined below.

Parent must contact the guidance department.

The withdrawal form must be completed obtaining all signatures.

The locker must be emptied.

All bills must be paid.

School equipment/materials must be returned including student ID card and parking pass, if applicable.

After the withdrawal form is completed, the guidance office must verify by initialing the form and giving the student or parent a copy of the form. Any outstanding financial credit will be issued from the business office upon completion of the withdrawal procedure.

RULES AND POLICIES

ATTENDANCE

- The state of Michigan expresses its views about the importance of schooling by establishing precise standards for the school year which consist of 1098 hours of instruction time. Additionally, colleges and universities, as well as prospective employers, often inquire regarding attendance records and habits.
 - **Attendance and promptness to class are the responsibility of each student and his/her parents/guardians.** Attending classes and being on time allows students to benefit from the school's program in addition to developing habits of punctuality, self-discipline, and meeting responsibilities. Students must attend class regularly if they are to derive benefits from such educationally sound activities as class discussion, group activities, lecture presentation, and guest speakers. The lack of good attendance may cause students to achieve below their potential and experience unnecessary frustration.
 - Because of the importance of classroom attendance, Cabrini High School supports these positions, whenever a student is absent:
 1. A parent/guardian must call in the reason for the absence by 9:00a.m. **No emails to the school or typed notes.** If a parent/guardian doesn't call the school, the student will be considered truant.
 2. Upon returning to school, the student presents a note, signed by the parent/guardian, stating the duration of and the reason for absence, and doctor's or judicial documentation when appropriate.
 3. A student may make arrangements with a teacher for make-up work only when an absence is excused. This completed work will be turned into the teacher in a prompt manner which is determined by the teacher. An absence does not excuse a student from the obligation of making up class assignments.
 4. In case of an extended absence, two or more days, a parent/guardian may request that books be made available for pick-up. Students must contact the teacher via e-mail for assignments.
 5. Students absent from school may not participate in school-sponsored activities the day/evening of the absence.
 6. Any student participating in an extracurricular activity must attend a minimum of six (6) complete class periods or provide the attendance office with documentation from a health professional in order to participate or practice in that day's game or event (unless attending a family funeral). Failure to supply proper documentation will result in disciplinary action.
- *Athletes and students involved in extracurricular activities, please refer to the Athletic portion of the handbook.**

Permission from the parent and/or guardian is necessary for any student to leave the campus at any time, for any reason throughout the school year.

PROCEDURES FOR STUDENT APPOINTMENTS - Every effort should be made to schedule personal and medical appointments outside the school day to minimize loss of school time. When this is not possible, the following procedure must be followed:

The parent or guardian is asked to contact the attendance line one day in advance of the appointment. If an emergency arises, the parent/guardian must call the attendance line prior to picking up their child.

On the day of the appointment, the student reports to the main office before 7:40 a.m. with a signed note from the parent/guardian that states:

The reason for the request.

The time the student needs to leave the school.

The expected time of return to school. (A student arriving late from an early morning appointment will be given an admission slip to class)

As in all cases of departure from school outside the scheduled dismissal time, the parent or guardian is responsible for the student's transportation and must sign them out at the main office.

Students who drive must have authorization to sign themselves out.

When returning to school after the appointment, the student must present a note to the main office confirming the appointment.

Students on school sponsored field trips, in conference with an administrator or counselor, or at one of two allowed college visits are not considered absent from class.

LOSS OF CREDIT/EXCESSIVE ABSENCE PROCEDURE –

Ten absences per class, per semester, for any reason will result in a lowering of one letter grade for the class. Fifteen absences per class, per semester, for any reason will result in complete loss of credit for that class. The following policies and procedures apply in case of excessive absences:

After a student has been absent from a class five times, the parent/guardian will be notified by mail of the student's entire attendance status.

When a student accumulates ten absences, notification of LOWERING OF GRADE(S) and current attendance record will be sent home. At fifteen absences, LOSS OF CREDIT notification will be made by mail.

*A student who has lost credit is required to attend the class and complete the course work which will keep the student current in case that an appeal results in re-admission.

ATTENDANCE APPEAL - A parent/guardian who wishes to appeal the dropping of a grade or the loss of credit decision is to follow this process:

Within five school days of notification of a dropped grade or loss of credit, the parent/guardian must contact the office manager to begin the process.

The office manager will:

Review attendance record of student. Extenuating circumstances for absences may include but are not limited to (hospitalization, death in immediate family, extensive surgery).

Administration will decide if the student should drop a grade or lose credit.

Notify the parent/guardian, in writing, of the decision by administration.

Remember, any class missed, or day absent, accumulates toward the consequence of the excessive absence procedure.

TARDINESS - A student arriving in class after the bell has rung is considered tardy. A student arriving ten or more minutes after the beginning of class is considered absent for that class. For every three unexcused tardies accumulated, the student will serve a detention. Five tardies in the same class will equal an absence. Regular or excessive excused tardies will be addressed with the student and parent. The following are not considered excuses: oversleeping, a missed alarm, waiting on another carpool ride.

FUNERALS - A parent or guardian should call the **Attendance Line** with the arrangements at least one day in advance for their student to attend a funeral Liturgy/Church Service.

ILLNESS AT SCHOOL - A student who becomes ill or is injured during the school day is sent to the Main Office. Students may not attempt to call or text using their cell phone, they must come to the main office to contact their parent. The parent/guardian is notified immediately and, should it be necessary, is instructed to come to school to pick up the student. Students are allowed to leave the school with their parent/guardian's permission and/or authorized person. Students too sick to drive will not be released.

At times it is impossible to reach the parent/guardian within a reasonably expedient time. The emergency form filed in the attendance office contains phone numbers of alternates, including the family doctor. The parents/guardians are requested to present to the school all pertinent information to be used in case of an emergency.

* **This information needs to be updated as soon as changes occur.**

CAFETERIA/FOOD & DRINK -The following rules must be observed:

All food, soft drinks, and sport drinks should be consumed in the cafeteria and may not be taken into the halls, restrooms, or the classrooms. Energy drinks are not allowed in the school.

The first water bottle issued by Cabrini High School & Academy will be distributed at no cost. Each replacement school issued water bottle will be charged (\$6.00) to the parent FACTS account.

Chewing gum is not permitted.

Students must clear their own tables after eating and dispose of lunch bags, paper cups, bottles, plates, food remnants and tableware.

Staff members in charge of the lunch period can require certain students to help with the final cleanup of the cafeteria during each lunch period. Students are required to cooperate with these requests.

Students who use the cafeteria before or after any scheduled lunch are expected to leave the cafeteria clean.

Students must remain in the cafeteria during the lunch periods.

Students are not allowed to go to their lockers during the lunch periods.

CUSTODIAL/NON-CUSTODIAL PARENTS - The non-custodial parent form, received in the summer email, must be completed and turned into the main office at the beginning of the school year.

A copy of quarterly academic performance will be forwarded to non-custodial parents if identification is adequately submitted according to the guidelines of the school.

Custodial parents have the responsibility of providing the Guidance office with a copy of their divorce decree stating parental visitation rights and any other custody related addenda to the initial court decision.

Unless stated otherwise in the divorce decree or addendum, custodial and non-custodial parents will be given the same privileges regarding their student(s), in accordance with the high school policies.

The student's legal name must be used on all school records.

The second offense will result in a conference with the parent, student, and administration. Repeated violations beyond the second offense will result in additional disciplinary actions as determined by administration.

EXTRACURRICULAR ACTIVITIES

The following is a list of rules that all students, who are participating in extracurricular activities (athletics, clubs, NHS, NJHS student council, robotics, drama, drama activities, cheer, pom, etc.), will abide by:

After three (3) detentions (per semester), for any reason, the student is suspended from practice on the first non-competition day, following the day of receipt of the detention.

After six (6) detentions, for any reason, they are suspended for three (3) non-competition days beginning the day following receipt of the sixth detention.

After nine (9) detentions, for any reason, the student is suspended for one week (seven school days including non-competition and competition days) beginning the day following receipt of the ninth detention.

After twelve (12) detentions, for any reason, the student will be removed from participation in the extracurricular activity. An in-school suspension includes suspension from that day's extracurricular activity. A second suspension will result in a week's suspension from participation in the extracurricular activity. A third suspension will result in removal from participation. Once a suspension has occurred, any title of captain, president, vice president, etc. will be revoked until reinstated by the administration. After attaining the maximum number of detentions, a student is excluded from participating in any extracurricular activities or athletic teams.

ATHLETICS

Eighteen different interscholastic sports and over twenty-two teams on the varsity, junior varsity and freshmen levels are offered. Boys' sports include baseball, basketball, bowling, cross-country, football, golf, hockey, soccer, swimming (coed), and track & field. Girls' sports include basketball, bowling, cross-country, cheer, soccer, softball, swimming (coed), tennis, track & field, and volleyball.

ATHLETIC CODE OF CONDUCT

Athletes are representatives of our school and are to conduct themselves with respect for others at all times. They are to follow their coach's directions at all times. Good sportsmanship is to be exhibited at all games, practices and scrimmages.

Attendance

If an athlete is absent from school, unless attending a funeral or a similar circumstance and have documentation, he/she may not practice or participate in games that day.

Athletes must attend a minimum of six complete periods unless documentation from a health care professional is provided upon return, in order to participate in that day's game or event. Cabrini high school student athletes are expected to attend Mass.

Athletes suspended from school will also be suspended from participation and attendance at all related activities for that day.

****It is important that parents/guardians attend the pre-season sports meeting with the coaches to be made aware of the rules and regulations for each individual sport.**

Vacation

Vacations by athletic team members during a sports season are discouraged. In the event of an unavoidable absence due to a vacation, an athlete must:

Be accompanied by his/her parents/guardians while on vacation.

Notify the head coach at least two weeks in advance of vacation, field trips or retreat.

Student athletes missing games and practices due to vacations may be subject to not playing in games at the coaches' discretion.

Code of Conduct

Uniforms are the responsibility of the student athletes. Students must pay for lost or damaged uniforms.

Use or possession of alcohol, tobacco, drugs or vapes is prohibited and will result in, after the first offense, being suspended from practices and games for that day and one week following. The second offense may result in removal from the team. Additional consequences are found in the Disciplinary Code.

Inappropriate language and lack of respect to other players, coaches, officials or spectators will not be tolerated. Coaches will inform players of expectations. Lack of respect toward other players, coaches, officials or spectators can result in immediate benching during a contest or sitting out the next contest. Continual disrespect can result in dismissal from the team.

Locker Room roughhousing and throwing of towels or other objects is not allowed. Any form of hazing of other players is strictly forbidden.

Vandalism and/or destruction of property to Cabrini High School or other school by an athlete may result in immediate suspension from the team. The Administrative team will meet to decide the consequences of the action. The consequences may be a minimum of a one game suspension up to permanent banning from all athletic contests either as a spectator or participant. Students are subject to Cabrini High School disciplinary consequences as well as payment for damages.

Unsportsmanlike conduct in a game

If a player receives any penalty in any sport for unsportsmanlike conduct, for the first offense they will receive the penalty of that sport per MHSAA and CHSL rules.

Any further violations of unsportsmanlike conduct, the player will be subject to penalties at the discretion of the head coach and the athletic department.

Ejection from a game

If a player is ejected from a game, he/she will not be eligible to participate in the next date of competition, hockey for two games, per MHSAA and CHSL rules.

If a player is ejected from a second game during the season, they will sit out the next date of competition per MHSAA and CHSL rules and an additional day per Cabrini rules. The hockey rule is four games.

If a player is ejected from a third game during the season, they will be immediately released from the team.

Multi-Sport Participation Policy

If an athlete wishes to play two sports in the same season, they first must consult with the athletic department. If both Varsity head coaches and the athletic department are in agreement, then the student athlete may participate on both teams, but must make one team their primary sport. The athlete must attend all practices and games for their primary sport and will not be allowed to miss a game or practice to attend the secondary sport.

ACADEMIC ELIGIBILITY OF ATHLETES/EXTRA CURRICULAR ACTIVITIES

1. Cabrini High School believes firmly that the total person develops as an entity of the body, mind and spirit. A healthy body is a necessary component of the total person. Athletics help in developing a healthy body; competitive sports aid in establishing self-discipline and a spirit of teamwork accountability. Tandem with high standards of academics, sports are necessary to personhood totality.

2. To this end, Cabrini High School supports all athletics and provides a sports program for both boys and girls. The athletic director, in direct line with the administration, establishes and implements all regulations pertaining to athletics at Cabrini High School.

3. A student is considered eligible to participate in athletic programs/extracurricular activities if he/she meets the following criteria:

- Maintains a **2.0 GPA AND**
- Has **no more than two failing grades (F)** in any quarter.

A student not meeting **both of these qualifications** during a marking period will be issued a **waiver**. Once a student receives a waiver, the student must improve his/her grades to meet or exceed the criteria listed above or face exclusion from athletic participation. Evaluations take place at the next marking period. A waiver reminds the student he/she has until the next marking period for grade improvement.

Academic eligibility is evaluated and determined by the CHS administrative team and notification will be done by the Athletic Department. Eligibility evaluations will be conducted weekly, at progress report and quarterly marking periods. For the purpose of determining eligibility of athletes at the beginning of a school year, students returning to CHS in the 10th, 11th and 12th grades will be evaluated in light of their **4th quarter grades from the previous year**. Incoming 9th graders will face an initial eligibility evaluation at the **end of the first quarter**, with subsequent review at each progress report and marking period.

Note that a waiver is issued only once during an academic year when the student's grades fall below the eligibility criteria. A student who does not pursue serious academic improvement when so warned could face athletic exclusion during a later part of the year, when he/she wants to join a team but has been issued a waiver. Our goal is to have students be in solid academic standing throughout the academic year. After the waiver period, the student's academic eligibility will be determined by reviewing grades at the next progress report or report card. If the student is not meeting the minimum requirements they will then be ineligible to participate in athletics for a minimum one week period (Monday – Sunday). Every Monday the student's eligibility will be checked to determine their eligibility for that week. At the next marking period, if a student does not meet the minimum requirements, they may be removed from the team for the duration of that sport season.

This is after the administrative team meets discussing grades. The student will then sit out at the beginning of the following week for their particular sport. Grades are looked at what was posted at progress report time and/ or marking period. If the student did not make the required GPA or has 2 F's the student must sit out a minimum of one week until the following Monday.

Exceptions to this policy, related to extenuating circumstances, will be examined on a case-by-case basis by the administrative team. If the student is not meeting the minimum requirements they will then be ineligible to participate in athletics for a minimum one week period (Monday-Sunday). Every Monday the student's eligibility will be checked to determine their eligibility for that week.

The CHS athletic department will follow all rules set forward by the Michigan High School Athletic Association (MHSAA). These rules will be considered as the **"minimum"** or baseline standards for our programs. Cabrini High School will continue to exercise its right to exceed MHSAA parameters in order to maintain the high academic, spiritual and personal standards called for by its philosophy and mission.

Changes of this academic eligibility policy may be made by the school administration and implemented at the beginning of the next academic semester, following notification of the school community.

2. Any athlete who quits a team may be denied the right to practice or participate on another squad during the existing season and their following season. If an athlete decides, within two weeks from the start of the season, that they want to switch sports or are having difficulty with making the commitment, they must inform the coach and be released from the team to avoid penalty. During the season, if problems arise with grades, illness, etc., an athlete can request an athletic director to release them from the team without penalty. Varsity letters are awarded at the discretion of the coach. The student must be in good academic standing for the season.

STUDENT ACTIVITIES

Clubs and organizations offer opportunities for students to pursue social interests in a social setting. We encourage students to join, participating in the pursuit of shared experiences and community through active involvement in clubs and organizations found at Cabrini. Students may increase their knowledge and enjoyment of their unique interests. We believe participating in extra curricular activities helps to create and nurture a well-rounded, enthusiastic individual. Students participating in school sponsored extra curricular activities such as band, choir, drama, etc. must maintain a 2.0 G.P.A., abide by the extracurricular rules explained above and exhibit responsible behavior and conduct in school and at school sponsored events. A one-time per year, academic waiver, similar to the process used in athletics, will be available.

These class meetings are times when the voice of each student should be heard to bring that class to unity and growth. School spirit also grows when each class feels a partnership in the school. Class officers and moderators preside over all meetings. Class moderators and staff attend class meetings as a part of their responsibility.

- Dances are for Cabrini High School students and their invited guests. Out of school guests are not permitted without a high school ID and Guest Pass. Guest Passes must be completed and submitted for approval by administration at least one week prior to the dance and must be present with the CHS sponsoring student. A photo ID must also be shown upon entering the dance. CHS sponsoring students are accountable for the behavior of their guest. Guests at dances who are uncooperative and/or disruptive will not be allowed to attend dances or other student events and the CHS sponsoring student might also be restricted from being allowed to sponsor guests in the future.

moshing, grinding, freak dancing (including front-to-front, front-to-backside and “sandwich” dancing), or otherwise inappropriate or dangerous dancing.

- All students must stay at the dance until 9:45 p.m. Permission notes from parents, to leave the dance early for specific reasons, must be handed in at school prior to the dance. Leaving the dance early without authorized permission will result in the student being banned from all school dances.
- Students are not allowed to loiter in the parking lot or to sit in parked cars. They must enter the building or they must leave the premises.
- Loitering in the restrooms will not be permitted.
- Smoking, vaping or drinking will result in automatic disciplinary action. Student members of the group may choose to audition for the plays and be involved in them as an actor/actress or as a part of the tech team working backstage for productions. Regular attendance to meetings is required to maintain membership.

FIELD TRIPS

- Field trips are included in the curriculum to provide educational experiences not available in the school itself. Students must have a school permission slip signed by parents/guardians and a medical treatment release form on file or they cannot participate in the field trip. Students should be aware that a field trip does not excuse them from completing the normal work of other classes.
- Tests and assignments must be completed as required by the respective teachers before the field trip or as required by the teacher. In addition, students should inform all of their teachers of the field trips they will be attending when they are aware of them. In some cases, the student may not be permitted to go on field trips if problems with attendance (absences, tardiness or suspensions), failing grades or behaviors warrant such action. Students must also be aware that a field trip does not automatically excuse them for the rest of the day. If time permits, they must return to their scheduled classes. No field trips will be taken the two weeks prior to semester exams.
- Students are driven by school arranged bus transportation or by adults with appropriate insurance.
- **The uniform code is enforced for all field trips unless there is a special dispensation from the administration.**

Among the more popular games are the card games Magic the Gathering and Munchkin and the board games Settlers of Catan, Stratego, and chess. Students are encouraged to bring in other games they like to play and to teach others. Tournaments of the more popular games are held and there is an effort to balance the playing field for both new and experienced players.

NATIONAL HONOR SOCIETY - Membership in the Cabrini High School Clare Murphy Chapter of the National Honors Society is an honor bestowed upon a student based on outstanding scholarship, service, leadership, and character. The purpose of NHS is to create enthusiasm for scholarship, to stimulate a desire to render service, to promote leadership, and to develop character. Membership is not only an honor but a responsibility; therefore, members are expected to continuously maintain these qualities. **Failure to maintain these high standards will result in probation and/or other disciplinary action.** Students must maintain a 3.5 cumulative GPA, participate in all activities sponsored by the Chapter, and perform a 20-hour individualized service project each year of their membership.

The organization meets regularly throughout the school year to raise awareness about issues teens face today. Members promote an awareness of the hazards of drunk driving, educate fellow students about being safe, and advise students on how to avoid peer pressure.

Its purpose is to help students understand and interpret their role in school government; it encourages harmonious relationships among administration, faculty and students and helps to develop a sense of responsibility for their own conduct and behavior during school hours, at social functions and whenever participating in sporting events.

Members are elected to student council during the early part of the fourth quarter for the following school year. Students are eligible for election if they have a 2.5 G.P.A. or above and have served on student council at least one year. Each candidate must complete an application form. The candidate must have four teachers complete the endorsement form. Two of the forms may be from a teacher that they currently have in class and the other two may be from a teacher or staff member that they have worked with in the past. If the candidate is a current member, the class moderator must also fill out the moderator endorsement form. At least $\frac{3}{4}$ of the endorsements must reflect the candidate’s ability to hold an office and maintain positive student council image, in order to run for an office. A majority of votes is needed for a candidate to win.

Class officers’ elections are held at the same time as Student Council member elections. The candidates must follow the same rules as mentioned above.

If a student council or class officer, including president, vice president, secretary, treasurer or representative, specific permission would need to be obtained from the moderator to run for a National Honor Society office.

Anyone elected to an office or anyone chosen as a representative must consider all student council meetings and activities as a high priority. Student council meetings will be held either before or immediately after school. Additional meetings may be called during special events preparation times or for school improvement staff meetings. **It is mandatory that everyone be present for all meetings.** All issues proposed by the student council must meet with administrative approval.

- Freshmen officers are chosen during the first few weeks of the new calendar school year.
- Student Council members and class officers are expected to lead by their example. A membership in the student council or class office may be terminated under the following conditions:
 1. If he/she is suspended for any reason for a period longer than one day.
 2. If he/she behaves in any manner that requires a formal reprimand.
 3. If he or she accumulates three unexcused absences from the meetings.
 4. If he or she is caught cheating at any time.

Disciplinary measures for student council and class officers will follow the rules for extracurricular activities.

STUDENTS FOR LIFE CLUB – Promote and raise awareness of life issues consistent with the teachings of the Catholic Church. The group also promotes the idea that life is precious from conception until natural death. Students will participate in local and national events such as the March for Life in Washington DC
